

## **ARTICLE VII – DUES AND OTHER FEES**

**SECTION 1:** There shall be no dues or assessments for membership in the League, except for fees charged for participation and sponsorship. The amount of such fees shall be set annually by the Board of Directors.

**SECTION 2: Refunds** – If a player withdraws from the league prior to the drafts the player shall receive a full refund, minus a \$5.00 registration processing fee. If a player withdraws from the league after the drafts and the teams have been formed **there will be no refund.**

**SECTION 3: Late Registration Fee** – An assessment of \$20.00 per player registration will be collected at the time of late registration. Late registration will be defined as the sign-up having occurred after any scheduled and publicized registration date(s). Late registration includes sign-ups at try-outs.

**SECTION 4: Insufficient Funds Charge** – An assessment of \$20.00 per instance of insufficient funds will be collected. With regards to the regular season, any player who has had a payment returned due to insufficient funds which is not cleared by Opening Day will be deemed ineligible for participation in all practices and games until such time as all fees have been paid. With regards to CO-OP and/or Post-Season Tournament Play, any player who has had a payment returned due to insufficient funds which is not cleared by their team's first game will be deemed ineligible for participation in all practices and games until such time as all fees have been paid. The appropriate Player Agent and Coordinator(s) must receive written confirmation from the Treasurer that all fees have been paid prior to reinstatement to the team.
